

Well, shake it up, baby, now
Twist and shout
Come on, come on, come, come on, baby, now
Come on and work it on out
Well, work it on out, honey
You know you look so good
You know you got me goin' now
Just like I know you would

Well, shake it up, baby, now
Twist and shout
Come on, come on, come, come on, baby, now
Come on and work it on out
You know you twist, little girl
You know you twist so fine
Come on and twist a little closer now
And let me know that you're mine, woo

Ah, ah, ah, ah, wow
Well, shake it up, baby, now
Twist and shout
Come on, come on, come, come on, baby, now
Come on and work it on out
You know you twist, little girl
You know you twist so fine
Come on and twist a little closer now
And let me know that you're mine
Well, shake it, shake it, shake it, baby, now
Well, shake it, shake it, shake it, baby, now
Well, shake it, shake it, shake it, baby, now
Ah, ah, ah, ah

Purple haze, all in my brain
Lately things they don't seem the same
Actin' funny, but I don't know why
Excuse me while I kiss the sky

Purple haze, all around
Don't know if I'm comin' up or down
Am I happy or in misery?
What ever it is, that girl put a spell on me

Ooh, ah
Ooh, ah
Ooh, ah
Ooh, ah, yeah!

Purple haze all in my eyes
Don't know if it's day or night
You got me blowin', blowin' my mind
Is it tomorrow, or just the end of time?

Ah-ah, ah!

Ah-ah, ah!

We come from the land of the ice and snow
From the midnight sun, where the hot springs
flow

The hammer of the gods

We'll drive our ships to new lands

To fight the horde, singing and crying

Valhalla, I am coming!

On we sweep with threshing oar

Our only goal will be the western shore

Ah-ah, ah!

Ah-ah, ah!

We come from the land of the ice and snow
From the midnight sun where the hot springs
flow

How soft your fields so green

Can whisper tales of gore

Of how we calmed the tides of war

We are your overlords

On we sweep with threshing oar

Our only goal will be the western shore

So now you'd better stop and rebuild all your
ruins

For peace and trust can win the day despite of all
your losing

Ooh-ooh, ooh-ooh, ooh-ooh

Ooh-ooh, ooh-ooh, ooh-ooh

La la la la la

Ooh-ooh, ooh-ooh, ooh-ooh

Ooh-ooh, ooh-ooh, ooh-ooh

Ooh-ooh, ooh-ooh, ooh-ooh

I saw him dancing there by the record machine
I knew he must have been about 17
The beat was going strong, playing my favorite song
And I could tell it wouldn't be long 'til he was with me,
yeah with me
And I could tell it wouldn't be long 'til he was with me,
yeah with me, singin'

I love rock 'n' roll
So put another dime in the jukebox, baby
I love rock 'n' roll
So come and take some time and dance with me

He smiled so I got up and asked for his name
"But that don't matter" he said "'cause it's all the
same"
Said "can I take you home where we can be alone?
And next we were movin' on and he was with me,
yeah with me
And we were movin' and singin' the same old song,
yeah with me singin'

I love rock 'n' roll
So put another dime in the jukebox, baby
I love rock 'n' roll
So come and take some time and dance with me

He said "can I take you home where we can be alone?"

And next we were movin' on and he was with me,
yeah with me

And we were movin' on and singing that same old
song, yeah with me, singing

I love rock 'n' roll

So put another dime in the jukebox, baby

I love rock 'n' roll

So come and take some time and dance with me

I love rock 'n' roll

So put another dime in the jukebox, baby

I love rock 'n' roll

So come and take some time and dance with

I love rock 'n' roll

So put another dime in the jukebox, baby

I love rock 'n' roll

So come and take some time and dance with

I love rock 'n' roll

So put another dime in the jukebox, baby

I love rock 'n' roll

So come and take some time and dance with

I love rock 'n' roll

So put another dime in the jukebox, baby

I love rock 'n' roll

So come and take some time and dance with me

I've waited hours for this
I've made myself so sick
I wish I'd stayed asleep today
I never thought this day would end
I never thought tonight could ever be
This close to me

Just try to see in the dark
Just try to make it work
To feel the fear before you're here
I make the shapes come much too close
I pull my eyes out
Hold my breath and wait until I shake

But if I had your faith
Then I could make it safe and clean
If only I was sure
That my head on the door was a dream

I've waited hours for this
I've made myself so sick
I wish I'd stayed asleep today
I never thought this day would end
I never thought tonight could ever be
This close to me

But if I had your face
Then I could make it safe and clean
Oh, if only I was sure
That my head on the door was a dream

Les enfants loups se perdent longtemps
Dans les rondes autour des nuits
A rechercher les terres où ils pourront
dormir

Retrouver le premier pur instant
où les sens donnent le plaisir
et traversent le cœur
pour qu'il soit plus tranquille

Et puis se perdre dans les villes sans bruit
Rester des nuits sans dormir
Affronter la lumière, transi
Jusqu'à ne plus rien sentir

Les enfants loups savent gagner le temps
Et attendre pour bondir
Et se perdre dans le jour qui se meurt
Lentement

Repartir par les chemins sereins
Vers les forêts, marcher fiers
Et attendre que la terre reçoive
Ce qu'il revient.

Et puis se perdre dans les villes sans bruit
Rester des nuits sans dormir
Affronter la lumière, transi
Jusqu'à ne plus rien sentir

Les enfants...
Les enfants...

Les enfants loups savent gagner le temps
Et attendre pour bondir
A rechercher les terres où ils pourront
Et enfin dormir

Et puis se perdre dans les villes sans bruit
Rester des nuits sans dormir
Affronter la lumière, transi
Jusqu'à ne plus rien sentir

Et puis se perdre dans les villes sans bruit
Rester des nuits sans dormir
Affronter la lumière, transi
Jusqu'à ne plus rien sentir

I'm so happy because today
I've found my friends
They're in my head
I'm so ugly, but that's okay, 'cause so are you
We've broken our mirrors
Sunday morning is everyday for all I care
And I'm not scared
Light my candles in a daze
'Cause I've found god

Yeah, Yeah, Yeah, Yeah, Yeah, Yeah, Yeah

I'm so lonely but that's okay I shaved my head
And I'm not sad
And just maybe I'm to blame for all I've heard
But I'm not sure
I'm so excited, I can't wait to meet you there
But I don't care
I'm so horny but that's okay
My will is good

Yeah, Yeah, Yeah, Yeah, Yeah, Yeah, Yeah

I like it, I'm not gonna crack
I miss you, I'm not gonna crack
I love you, I'm not gonna crack
I killed you, I'm not gonna crack

X2

I'm so happy 'cause today

I'm so ugly, that's okay, 'cause so are you,
Broke our mirrors
Sunday morning is everyday for all I care,

Keep you in the dark
You know they all pretend
Keep you in the dark
And so it all began

Send in your skeletons
Sing as their bones go marching in, again
The need you buried deep
The secrets that you keep are ever ready
Are you ready?
I'm finished making sense
Done pleading ignorance
That whole defense
Spinning infinity, boy
The wheel is spinning me
It's never-ending, never-ending
Same old story

[Refrain] x2

What if I say I'm not like the others?
What if I say I'm not just another one of your
plays?
You're the pretender
What if I say I will never surrender?

In time or so I'm told
I'm just another soul for sale, oh well
The page is out of print
We are not permanent
We're temporary, temporary
Same old story

[Refrain] x2

I'm the voice inside your head
You refuse to hear
I'm the face that you have to face
Mirrored in your stare
I'm what's left, I'm what's right
I'm the enemy
I'm the hand that will take you down
Bring you to your knees

So who are you?
Yeah, who are you? **X3**

Keep you in the dark
You know they all pretend

[Refrain] x4

So who are you?
Yeah, who are you?
Yeah, who are you?
